NOTE: MODIFICATIONS RESERVED DESIGN & SPECIFICATIONS NOT BINDING DUE TO CONSTANT CHANGES AND IMPROVEMENTS.

Characteristics:

- Cutting & Creasing Platen Press designed to handle Cutting, Creasing & Embossing of paper, solid board, corrugated board, micro flute, plastic, rubber, linoleum, leather, etc. using Flat cutting die.
- Heavy duty machine with Electro magnetic Clutch & Brake System.
- Single dwell facility. Platen open dwell is infinitely variable.
- Convenient position of Control Panel located in front of the machine.
- Machine supplied with two normal chases and one standard make ready plate.
- Machine fitted with wrap around Safety Device Centralized Lubrication System.
- Machine supplied with Automatic Sheet Counter & complete Electrical Installation.
- One set of service tools supplied with machine.
